ABOUT ME

I am an ambitious software developer seeking an exciting opportunity to utilize my skills in contributing to the growth and prosperity of dynamic organizations. Alongside my programming proficiency, I played a key role in establishing the Samarpan Youth Initiative, where I currently serve as the Club Manager handling overall operations of this student-led college club.

EXPERIENCE

GRAPHIC DESIGNER

CCRC (2017-2019)

Served as the IT leader responsible for creating designs such as logos, banners, posters, and other similar items.

GRAPHIC DESIGNER

ICMS, Samarpan, Academy (2022-2023)

Employed as a graphic designer, specializing in the creation of logos, banners, social media posts, pamphlets, and similar materials.

DIGITAL MARKETING & WORDPRESS INTERNSHIP

Yantrashala (Jan 2023- March 2023)

I possess a solid foundation in WordPress, adept at website development through the utilization of themes, plugins, and various WordPress tools. Additionally, I have delved into the essentials of Digital Marketing, encompassing traditional marketing, SEO, content marketing, and social media marketing. Proficient in performing keyword research and employing SEO strategies to enhance website visibility and ranking, I have successfully crafted content calendars and executed impactful social media campaigns for company accounts. My skill set extends to analyzing website traffic and conversion rates using Google Analytics, allowing me to optimize performance. Furthermore, I excel in creating compelling content that aligns seamlessly with content marketing strategies.

CLUB MANAGER

In my role as the Club Manager/Operations Head of the Samarpan Youth Initiative, a college organization driven by passionate ICMS students, our primary focus is to cultivate both personal and professional development opportunities. Our club serves as a hub where young individuals can unite their interests and energy to drive impactful initiatives and ventures. By fostering collaboration, fostering innovation, and actively engaging with the community, our aim is to equip our members with the tools and support needed to create positive change within our community.

INFORMATION TECHNOLOGY REPRESENTATIVE

UNDP | Ministry of Federal Affairs and General Administration | Tribhuvan University (June 2020 - July 2020)

Attended as Representative of IT on Risk, Emergency and Crisis Communication jointly organized by Institute of Crisis Management Studies, UNDP, Tribhuvan University and Ministry of Federal Affairs and General Administration.

GENERAL MEMBER

Leo Club of Kathmandu United Bright (March 2022 - Present)
I am an active member of Leo club of kathmandu united bright. I have been joining leo club for the past 1.5 years and working as an event coordinator in different events organised by leo club of kathmandu united bright and/or jointly with other clubs.
